

Cardington Parish Action Plan from recent consultation 2015-16 onwards. July 17 update

Action		Possibility of action	Action by whom	partners	Date	Action taken
Cleanliness of highway	Purchase of mechanical brush	Unlikely. Reason: who would buy? who would decide when to be used.	Shropshire Council are the highways authority. West Mercia Police are responsible for hazards in the highway.		No action	No action.
Speeding traffic	Impose speed restrictions	Unlikely	Shropshire Council are the highways authority. West Mercia Police are responsible for hazards in the highway.	Parish Council can suggest highway safety projects for consideration by Shropshire Council.	Parish Council can three times a year suggest specific places and schemes for consideration.	Consider places where safety improvements may have effect for May 2016 meeting. No schemes were submitted.
Verge in village centre	Fill in the gap on either side of the highway	Refer to Shropshire Council	Shropshire Council		Parish Council can three times a year suggest specific places and schemes for consideration.	Shropshire Council highways team have explained the gap is part of the highways drainage system and has to stay as it is to ensure water can drain away. No action to be taken.
Mobile Phone signal	Investment in infrastructure by the community	Mobile phones are a commercial issue and not an essential utility	MPs to lobby government for funds		Ongoing. Shropshire MPs have a meeting with relevant minister in Jan 2016	Mobile Companies not interested at this time. If there is still a need for this https://www.communityfibre.bt.com/
Keeping	Employ someone to		Parish Council	All community		Not suitable for CIL funding.

communities tidy	carry out minor duties		can keep their part of the cemetery tidy. All other areas should be kept tidy by those responsible for them.	organizations		
Walls in centre of village			The owners of the walls are responsible.			Not suitable for CIL funding
Village pumps	To whom does the pump belong	Investigate ownership	Parish Council			More research needed to determine what sort of works are needed or afforded not suitable for CIL funding.
Footpaths	Specific actions suggested. 1. Footbridge over the ford to Willstone 2. Stiles	Report damage to Countryside unit at Shropshire Council	Shropshire Council	Parish Council	ongoing	The footbridge is monitored by Shropshire council highways and is fit for purpose in accordance with their guidelines. If any damage is found to stiles and other street furniture it should be reported to Shropshire Council.
Mobile Shop	Financial support	Investigate need of a shop of any sort. A specific consultation would need to be carried out for evidence.	Parish Council	A Volunteer group could be set up to form a community group or an individual business could be attempted		If a need is proven this may be a project suitable. It would need further consultation. Does not fit the CIL funding criteria.
Bus Shelters	Provide bus shelters for school children to shelter waiting for school buses	Research where needed	Parish Council		2016	Suitable for CIL Funding. It was felt there is no need at this time.
Millennium field	Install signage to site	Investigate who is responsible for site.	Owners of site	Parish Council	2016	Suitable for CIL Funding. Parish Council is investigating. Owner did not want the extra signage
Children play area	Build one in village hall car park . (costs are high £10k plus)	Investigate need	Vh committee	Parish council		No interest. could be suitable for CIL funding but the amount available would not go far. No enough funds in the CIL

						fund
Public Toilet	Build one in village hall or church yard	Investigate need. Costs are over £20k plus ongoing maintenance costs.	VH committee or PCC	Parish Council		Village hall have considered the idea and decided not to go ahead.
Trees and plants	Planting trees to replace diseased trees	Look at possible sites with landowners	Parish Council	Land owners.	2016	Not suitable for CIL Funding. If there is a need there are other options.

99Key:

No colour no further action

Yellow update.

Green new information.

Blue more action could be carried out but not using CIL funds.

This consultation was done to find ways of spending the CIL funds.

CIL funds need to be spent by Financial year ended 31.3.21 total in Parish Council accounts £2339.16 there are other funds kept by Shropshire Council the Parish Council can apply to spend on an approved project in line with CIL regulations. £11227.99. this can be spent in the Local Plan area not just Cardington. ie Church Stretton Local Plan. This can be group together with other money in the local plan area. Shropshire Council Community Action Team officers (Currently your officer is Lisa Bedford.) An annual return needs to be done to Shropshire Council regarding the spending of the funds.
